

7-YEAR SCHEDULE OF ACADEMIC PROGRAM REVIEWS

COLLEGES	CURRENT YEAR	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024	
Agriculture & Life Sciences	Natural Resources & the Environment		Animal & Comparative Biomedical Sciences	Plant Sciences	Nutritional Sciences	Agricultural Education	Agricultural & Biosystems Engineering	Natural Resources & Environment	
			Family & Consumer Sciences			Agricultural & Resource Economics			Soil, Water & Environmental Science
						Entomology**			
Architecture, Planning, & Landscape Architecture				Landscape Architecture	Planning			Architecture*	
Education		Educational Psychology			Disability & Psychoeducational Studies	Teaching, Learning & Sociocultural Studies Educational Policy Studies & Practice			
Eller	Eller Graduate School of Management	Management & Organizations		Accounting		Marketing			
				Economics					
				Finance					
				Management Information Systems					
Engineering	Materials Science & Engineering				Chemical & Environmental Engineering	Aerospace & Mechanical Engineering	Mining & Geological Engineering		
					Civil Engineering & Engineering Mechanics				
					Systems & Industrial Engineering	Electrical & Computer Engineering			Biomedical Engineering**
Fine Arts	Art				Dance		Music		
					Theatre, Film & Television				
Honors				Honors College <sup>†</sup>					
Humanities				Africana Studies	German Studies	East Asian Studies			
						French and Italian			
						Religious Studies & Classics <sup>†</sup>			
						Russian & Slavic Studies			Spanish and Portuguese
Law				Law Graduate Programs					
Letters, Arts & Science		General Studies-UG							
		Global Studies-UG							
Medicine	Emergency Medicine <sup>†</sup>	Cellular & Molecular Medicine	Immunobiology	Medicine <sup>†</sup>	Physiology	Anesthesiology <sup>†</sup>	Family & Community Medicine <sup>†</sup>	Emergency Medicine <sup>†</sup>	
				Ophthalmology & Vision Science <sup>†</sup>					
	Pediatrics <sup>†</sup>	Surgery <sup>†</sup>	Obstetrics & Gynecology <sup>†</sup>	Orthopaedic Surgery <sup>†</sup>		Pathology <sup>†</sup>	Neurology <sup>†</sup>	Radiation Oncology <sup>†</sup>	Pediatrics <sup>†</sup>
			Pharmacology	Medical Imaging <sup>†</sup>					
Nursing					Nursing*				
Optical Sciences				Optical Sciences					
Pharmacy			Pharmacy Programs						
Public Health		Public Health							
Science	Ecology & Evolutionary Biology	Chemistry & Biochemistry** (With Medicine)	Molecular & Cellular Biology	Computer Science	Geosciences	Hydrology & Atmospheric Sciences <sup>†</sup>	Astronomy / Steward Observatory	Ecology & Evolutionary Biology	
	Neuroscience + Neuroscience & Cognitive Science UG Program	Physics		Speech, Language & Hearing Science	Planetary Sciences / Lunar & Planetary Laboratory			Mathematics	Neuroscience + Neuroscience & Cognitive Science UG Program
		Psychology							
Social and Behavioral Sciences	Linguistics	Anthropology	Arizona Center for Judaic Studies	Information*	American Indian Studies	Center for Latin American Studies	Government & Public Policy	Linguistics	
		Journalism*			English			Communication	Geography & Development
	Mexican American Studies	Sociology	History			Gender & Women's Studies		Philosophy	
						Middle Eastern & North African Stds			
Graduate College	Second Language Acquisition & Teaching	Neuroscience	Applied Mathematics		American Indian Studies	Entomology / Insect Science**	Arid Lands Resource Sciences	Second Language Acquisition & Teaching	
			Cancer Biology				Biomedical Engineering**		
		Physiological Sciences	Genetics				Statistics
