Dear Dr. Yoon:

This communication serves to confirm the accredited status of the doctoral (PhD) program in school psychology at the University of Arizona, located in Tucson, Arizona. Upon review of our records, it is determined that the program gained initial accreditation on October 19, 1979, by the American Psychological Association's Commission on Accreditation (CoA). The program was last reviewed in 2016 at which time the CoA awarded continued accreditation, with the program's next period review scheduled to occur in 2023. This decision was based on the CoA's professional judgement of compliance or substantial compliance with all domains of the Guidelines and Principles for Accreditation (G&P). No serious deficiencies were noted.

If you have any additional questions, please feel free to contact me at 202.336.5979.

Sincerely,
