Dear Dean Bootman:

The following action was taken at the ASHP Commission on Credentialing meeting on August 17-19, 2014:

**VOTED**

To extend accreditation of the postgraduate year two pharmacy residency in nutrition support at University of Arizona-University Medical Center/College of Pharmacy, Tucson, Arizona, for the remainder of its current six-year cycle (2017) or until the ASHP Commission on Credentialing recommends further action.

The Commission arrived at its decision based on a thorough review of the progress report submitted by your institution. Continued accreditation is granted subject to the provisions set forth in the *ASHP Regulations on Accreditation of Pharmacy Residencies*.

The ASHP Board of Directors reviewed and accepted the Commission on Credentialing's actions on September 19, 2014.

We congratulate you and the members of your pharmacy staff on receiving continued accreditation for your Postgraduate Year Two (PGY2) Nutrition Support Pharmacy residency program.

Sincerely,
