Interim Director, LL.M. Program
RE: Master of Laws (LL.M.) Program in
International Trade

Enclosed is the letter received by Dean Sullivan from the American Bar Association formally giving its "acquiescence" to the establishment of a master of laws in international trade program at the College of Law.

In light of this favorable (albeit anticipated) action of the ABA, we would appreciate your suggestions as to anything we at the College of Law can do to facilitate prompt final (and favorable) action by the Board of Regents on the LL.M. program. As you know, we wish to initiate the program in August 1994, and need to move ahead as quickly as possible with regard to admissions.

As the report notes, the ABA had before it a letter from Governor Symington endorsing the LL.M. program. I do not have a copy of that letter. However, I enclose for your information a letter received recently by Dean Sullivan from the Executive Director of the State Bar of Arizona expressing its support.

Best regards.
