Dear Professor Johnson:

The Landscape Architectural Accreditation Board (LAAB) at its August 2-3, 2019 meeting granted accreditation for a period of six (6) years to the course of study leading to the first professional MLA degree at the University of Arizona. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2025. Accordingly, the MLA program is next scheduled for a review during the spring of 2025.

In making its decision, LAAB considered the program’s self-evaluation report, the visiting team report, and the program’s response to the report.

There were no recommendations affecting accreditation.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

Rodney Swink, FASLA, PLA
LAAB Chair
