Gentlemen,

Please accept this letter as verification that the Arizona Poison and Drug Information Center's AAPCC center accreditation is valid until November 1, 2024, assuming your center stays in compliance with the accreditation criteria. With this expiration date, you are required to electronically submit your annual reports by March 31 in the ensuing years, as well as your application by May 1, 2024.

Should you have additional questions, please contact me.

Kind regards,

Leslie J. Sandler, MEd
Senior Director, Certification, Accreditation & Professional
Education
