Featured Spring Programming

Upcoming Virtual Workshops on the Network (on Zoom)

APR 13
Becoming an Anti-Racist Educator
Discuss and crowd-source possible solutions to the challenges of bringing anti-racist teaching into a STEM community and classroom in this three-session workshops. Register through CIRTL Network.

Tuesdays, April 13, 20, & 27, 10-11:30 a.m. PST

APR 15
CIRTL Network Spring TAR Presentations
Hear graduate students and postdocs from across the CIRTL Network share the results of their Teaching-as-Research (TAR) projects in this online presentation session. TAR projects investigate questions about teaching and learning, including assessing the effectiveness of specific learning activities and tools, examining the learning process about a specific topic, or characterizing the student experience in the classroom. Register through CIRTL Network.

Thursday, April 15, 12 p.m. PST
